**6.5. LEAH MANSFIELD: REPAIRS THOMPSON STREET NETBALL COURTS**

Question 3:

*This week we were advised that while the City agreed court 6 was unfit to play on and has been closed, they deemed court 7 and 10 are still in a safe enough condition to be hired out and that it is at the discretion of the hirer as to whether they deem those courts unsafe to play on. Additionally, they are required to report any hazards/damage they identify. This directly contradicts previous information we have been sent around those courts. Can you advise what measurement or report is used to deem court 7 and 10 safe or unsafe to play on and who is liable if an injury was to occur as a result of the damage or hazards on those courts?*

City of Mandurah Response:

The Manager Recreation Services has confirmed that the City has followed the advice of the Mandurah Netball Association and has removed the hire of courts 6, 7 and 10 from the City's booking system.

Question 4:

*At the last meeting we asked a question regarding the City's HSE policy relating to inspection and preventative maintenance of facilities hired out to community sporting organisations. We were informed that the City performs condition inspections of its infrastructure assets, as a minimum every 5 years. When was the last inspection conducted? Is there a report available regarding that inspection and when is the next inspection due to take place?*

City of Mandurah Response:

The last condition inspection of the Thomson Street Netball Pavilion was performed in February 2021. Based on this inspection, the roof and floor coverings have been listed under the City's buildings renewal program and these works are expected to be completed in the next financial year. City officers will discuss the inspection findings in detail with the Mandurah Netball Association at the next fortnightly meeting.

**6.5. CLIFF HORTON: 15 MINUTE CITIES**

*Does the City have any plans for Mandurah to be a 15 minute city now or in the future? Has this been discussed or is the City discussing it?*

Response:

For context, the idea of having places to live, places to work, places to recreate and places to shop within 15 minutes has been a long standing urban planning principle since the 1920's. This followed a time when planning rules that were largely brought in to separate these uses due to public health with people living close to factories and industrial areas.

Cities that are spread out through urban sprawl are now experiencing challenges with costs of transport and now with many more people in the workforce, time spent travelling is a key social issue.

**RESPONSE TO QUESTIONS TAKEN ON NOTICE AT THE COUNCIL MEETING HELD ON  
22 AUGUST 2023**

Mandurah's geographic layout provides many challenges, however, most people have the opportunity to live close to shops, community facilities and open spaces. The City is working hard on improving employment opportunities within Mandurah, as census data suggests that many people need to leave Mandurah to work unless they are employed in service based industries.

The City is aware that the concept of a '15 minute city' has been interpreted to have wider implications with regard to data and privacy. The City of Mandurah has no plans to be a designated '15 minute city' beyond the planning principle of making places to live, work, shop and recreate closer to each other and to reduce travel costs and time for its residents.

### Financial Summary

The financial report for August 2023 shows an actual surplus for this period of \$92.5 million. The reason the first six months of any financial year has a large surplus is because over 80% of the total revenue has been recognised (from raising of rates and other grants and fees), however most of the City's expenditure occurs evenly over the 12 months. This results in a timing variance and the actual surplus reduces as the financial year progresses.

The opening surplus is currently \$1.5 million. The opening surplus will be reduced once all invoices have been received and the end of year adjustments have been made for the 2022/2023 financial year. The actual opening surplus as at 30 June 2023 will not be finalised until December 2023 and therefore over the next few months, the actual opening surplus will change until such time as the Audit Report and the 2022/23 Annual Financial Statements are adopted by Council. The changes in the actual opening surplus is due to adjustments being made in accordance with the Accounting Standards.

A summary of the financial position for August 2023 is detailed in the table below:

## Financial Implications

Any material variances that have an impact on the outcome of the budgeted surplus position are explained in the Monthly Financial Report, as detailed in Attachment 2.1.

## Risk Analysis

Nil

## Strategic Implications

The following strategy from the City of Mandurah Strategic Community Plan 2020 – 2040 is relevant to this report:

### Organisational Excellence:

- Ensure the City has the capacity and capability to deliver quality services and facilities through accountable and transparent business practices.

## 2023/24 Budget Variations

### Sofffall Keith Holmes Reserve

The Sofffall Keith Holmes Reserve capital project has a current budget of \$27,183.36. The project scope increased to include the entire play area, rather than a small section, therefore, it is requested that the budget for this project be increased by \$11,567 to enable completion of the entire play area.

This \$11,567 increase in the budget is proposed to be funded from predicted savings in the SF Floribunda Park capital project.

### Port Bouvard Sport and Recreation Centre - Small Grant – Community Sporting and Recreation Facility Fund

The Port Bouvard Sport and Recreation Centre (PBSRC) capital project has a current budget of \$40,832.

The Department of Local Government Sport and Cultural Industries has notified the City of Mandurah that it will be reducing the Port Bouvard Sport and Recreation Centre grant by \$5,000 which will require the City funding to be increased by the same amount to deliver the project.

It is proposed that the additional \$5,000 increase in budget be funded from 2023-2024 Community Sporting and Recreation Facility Fund Program (CSRFF) – Small Grants capital project.

### Milgar Reserve BMX Starting Gate

The Milgar Reserve BMX Starting Gate is a new capital project required to replace the BMX starting gate to ensure BMX can continue to undertake their sporting commitments.

It is recommended that a budget variation be approved to move \$114,000 from the following capital projects with identified savings, to the new Milgar Reserve BMX Starting Gate capital project to enable this project to be undertaken:

2023-2024 CSRFF Program – Small Grant	\$38,000
Fencing Renewal Island Point	\$38,000
Contribution from Mandurah BMX Club	\$38,000
<b>Total</b>	<b>\$114,000</b>

### Thompson Street Netball Court Resurface

Emergency work is required to be undertaken to resurface four courts at Thompson Street Netball Courts as a temporary fix to allow games to continue safely in the short term. A longer-term solution will be included in the Long-Term Financial Plan.

It is proposed that an increase of \$120,000 to the budget be funded from the Asset Management Reserve.

## 2022/23 Carryovers Reconciliation

### Capital

In the June 2023 Financial Report, Council approved adjustments for 2022/23 Capital Works Carryovers. As part of this process in identifying the carryover projects, City officers estimated the forecasted expenditure of the incomplete projects based on the expected stage of completion at 30 June 2023. The 2022/23 Budget was then adjusted to reflect this forecasted spend up to 30 June 2023. A reconciliation has been prepared since the end of the financial year based on the year-end actuals versus the adjusted 2022/23 Budget to correctly calculate what should have been carried forward for those projects into 2023/24.

A combination of overspends and underspends for the 2022/23 carryover projects has resulted in an additional \$2,125,728 to be adjusted in the capital works program for the 2023/24 financial year. A detailed list of the carryover projects requiring adjustment is shown on Attachment 2.2.

The following projects, totalling \$505,659, were expected to be delivered in 2022/23, therefore weren't included in the June 2023 Financial Report, however these projects couldn't be completed by 30 June 2023 and they will need to be included in the 2023/24 carryover, already included in the additional \$2,125,728.

<b>Project Name</b>	<b>Project Progress Details</b>
<i>Administration Building – Foyer Upgrade</i>	<i>Construction complete.</i>
<i>22-23 LED Building – Foyer Upgrade</i>	<i>Construction complete.</i>
<i>Mandurah Community House (MFHS &amp; Pottery House) Roof</i>	<i>Construction complete.</i>

<i>Mandurah Library Re Roofing Project</i>	<i>Construction complete.</i>
<i>Dawesville Foreshore Reserve (Leura Street) Rock Protection</i>	<i>Construction complete.</i>
<i>Dawesville Foreshore Reserve (Avon Court) Rock Protection</i>	<i>Construction complete.</i>
<i>Lakelands-Madora Bay Pedestrian Bridge</i>	<i>Design only ; Due for completion by Dec</i>
<i>MARC Geothermal Pump &amp; VSD</i>	<i>Construction complete.</i>
<i>South East Dawesville – Boundary Fence</i>	<i>Construction complete.</i>
<i>Mandurah Ocean Marina Bocce Court Upgrade</i>	<i>Construction 50% ; Due for completion October 2023</i>
<i>Merlin Street Activation Plan – Implementation</i>	<i>Construction 90% ; Due for completion October 2023</i>
<i>Installation of CCTV – Giants of Mandurah Coodanup Foreshore</i>	<i>Construction complete.</i>
<i>Merlin Street Reserve Southern Car Park</i>	<i>Construction complete.</i>
<i>Installation of Flood Lighting at Mandurah Tennis Club</i>	<i>Construction complete.</i>
<i>22-23 SF Street Furniture New Program</i>	<i>Construction complete.</i>
<i>Peel Street – Power Relocation</i>	<i>Construction complete.</i>

The \$2,125,728 increase in the 2023/24 financial year capital expenditure is made up of the following funding sources:

Decrease in external grant funding	(\$49,429)
Increase in unutilised loans	\$221,719
Increase in transfer from reserves	\$1,953,438

## Conclusion

The City strives to manage its finances adequately and maintain expenditure within budget to ensure services that have been approved through the budget process are fully funded.

It is recommended that Council receive the Monthly Financial Report and the Schedule of Accounts.

KEY INFORMATION

Cash and cash equivalents include cash on hand, cash at bank, deposits available on demand with banks and other short term highly liquid investments highly liquid investments with original maturities of twelve months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value and bank overdrafts. Bank overdrafts are reported as short term borrowings in current liabilities in the statement of net current assets.

The local government classifies financial assets at amortised cost if both of the following criteria are met:

- the asset is held within a business model whose objective is to collect the contractual cashflows, and
- the contractual terms give rise to cash flows that are solely payments of principal and interest.

**KEY INFORMATION**

Rates and other receivables include amounts due from ratepayers for unpaid rates and service charges and other amounts due from third parties for goods sold and services performed in the ordinary course of business. Receivables expected to be collected within 12 months of the end of the reporting period are classified as current assets. All other receivables are classified as non-current assets. Collectability of rates and other receivables is reviewed on an ongoing basis. Other receivables that are known to be uncollectible are written off when identified. An allowance for doubtful debts is raised when there is objective evidence that they will not be collectible.

**SIGNIFICANT ACCOUNTING POLICIES**

All assets are initially recognised at cost. Cost is determined as the fair value of the assets given as consideration plus costs incidental to the acquisition. For assets acquired at no cost or for nominal consideration, cost is determined as fair value at the date of acquisition. The cost of non-current assets constructed by the local government includes the cost of all materials used in the construction, direct labour on the project and an appropriate proportion of variable and fixed overhead. Certain asset classes may be revalued on a regular basis such that the carrying values are not materially different from fair value. Assets carried at fair value are to be revalued with sufficient regularity to ensure the carrying amount does not differ materially from that determined using fair value at reporting date.

KEY INFORMATION

All loans and borrowings are initially recognised at the fair value of the consideration received less directly attributable transaction costs. After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost using the effective interest method. Fees paid on the establishment of loan facilities that are yield related are included as part of the carrying amount of the loans and borrowings.

<b>2</b>	<b>SUBJECT:</b>	Swearing in Ceremony for new Elected Members
	<b>DIRECTOR:</b>	Business Services
	<b>MEETING:</b>	Council Meeting
	<b>MEETING DATE:</b>	26 September 2023

---

## Summary

Following a Local Government Election, a person elected as a councillor is required to make a declaration in the prescribed form before acting in the office in accordance with the Section 2.29 and Schedule 2.3, Division 2 of the *Local Government Act 1995* (the Act). At the Ordinary Council Meeting of 22 November 2022, Council approved the Swearing In Ceremony for the newly Elected Members to be held on Monday 23 October 2023.

Due to the recent amendments to the *Local Government (Election) Regulations 1997* and the introduction of Optional Preferential Voting (OPV), which may impact on the timeframes for declaring the election results, it is recommended that the Swearing In Ceremony be held on Thursday 26 October 2023.

Traditionally the City has held the election of the deputy mayor at a Special Council Meeting following the Swearing In Ceremony. It is now recommended that Council cancel the Special Council Meeting scheduled for 23 October 2023 and hold the election of the deputy mayor at the Ordinary Council Meeting scheduled for 31 October 2023.

## Background

In previous Local Government Election councillors-elect made their declaration to office by way of a Swearing In Ceremony conducted in Council Chambers the Monday immediately following a Local Government Election. At the 22 November 2022 Council Meeting, Council approved the Swearing in Ceremony for the newly Elected Members on Monday 23 October 2023 commencing at 5:30pm. Due to advice from the Department of Local Government, Sports and Cultural Industries and Western Australian Electoral Commission, it is recommended that the date of the Swearing in Ceremony be changed to Thursday 26 October 2023.

At the Council Meeting on 22 November 2022, Council approved the date, time and place of the 2023 newly Elected Members Swearing in Ceremony.

## Comment

In July 2023 amendments to the *Local Government Act 1995* (the Act) and *Local Government (Election) Regulations 1997* came into effect including the introduction of Optional Preferential Voting (OPV). The Department of Local Government, Sport and Cultural Industries (DLGSC) and Western Australian Electoral Commission (WAEC) have recommended that local governments should consider delaying the Swearing In Ceremonies.

City officers have been advised by WAEC that with introduction of OPV, voting will take additional time to be entered and counted and election results may not be confirmed by the Sunday following the 2023 Local Government Election as was the practice in previous Local Government Election years. The DLGSC and WAEC have both advised that out of caution the Swearing In Ceremony should not be booked immediately

following the election and that in some circumstances it may take up to one week for the election results to be declared.

In previous years, Council has conducted the election of the deputy mayor following the Swearing In Ceremony. There has been feedback that this approach did not enable sufficient time for newly Elected Members to become familiar with the deputy mayor election process.

It is now proposed that the Swearing In Ceremony date is changed to Thursday 26 October 2023 and the election of the deputy mayor forms the first item of the agenda at the Ordinary Council Meeting on 31 October 2023.

Nominations for deputy mayor from Councillors and Councillors-Elect may commence from Monday 23 October 2023. The nomination form and a brief biography of no more than one page, may be submitted to the Chief Executive Officer.

The Election of the deputy mayor is to be conducted in accordance with procedures prescribed in Schedule 2.3, Division 2 of the Act. Schedule 2.3 of the Act specifies matters affecting when and how the deputy mayor is to be elected, including method of voting as if voting at an election (OPV) and Schedule 4.1 specifies the method of counting votes. The DLGSC have advised the City that they are developing a tool to support Local Governments CEO's with conducting the election process.
